It's Back.... Migration Loyalty DT900 6-Pack Promotion Buy 5 and Get one Free

Starting October 16th, 2020 Studio will support the Migration Loyalty DT900 6-Pack Promotion until March 31, 2021.

Have you been waiting for that right time to upgrade your customer's endpoints in order to match the advanced communication features provided with their recently migrated NEC Communications platform? If so, there is no better time than now to consider purchasing the latest NEC DT900 IP Desktop Telephones. NEC Corporation of America (NEC) is excited to announce the **Migration Loyalty DT900 6-Pack Promotion** program for Migrated NEC Systems.

The **Migration Loyalty Promotion** concept is simple; purchase a **Loyalty Promo 6-Pack** and **receive 6-NEC IP Phones for the price of 5 phones**. That's right, **one (1) phone is FREE**. Buy as many packs as it takes to cover ALL the IP Endpoint/Resource licenses deployed on your newly migrated NEC Communications platform (this promo applies to new migrations and migration can be from any NEC platform). Now everyone can experience the advanced communications functionality. So let's get **PACKing!**

The Migration Loyalty Promo is available on all of our NEC Communications Platforms. It is divided between the 3 (three) most common endpoint devices that NEC has to offer on the UNIVERGE SV9xxx systems and the 2 (two) most popular models on the UNIVERGE 3C. Selecting any one of the Migration Loyalty Promo Packs will provide 6 phones for the price of 5. In addition, all the devices offered in the package that operate on the SV migrated platform, will support the Instant

General Terms and Conditions

NEC reserves the right to terminate your participation in this or any promotion should you not be in compliance with any of the terms and conditions of the Channel Partner Agreement or of the promotions, including but not limited to, any payment obligations. All orders are subject to NEC verification for promotion eligibility. Administration and interpretation of the promotions is at the sole discretion of NEC. NEC also expressly reserves the right to modify and/or discontinue any or all of this Promotion at any time without prior notice. Additionally:

- Eligible NEC System configurations must be ordered and shipped no later than **March 31, 2021**
- The NEC Anytime Studio quote configurator tool must be used for participation in this promotion.
- The Hardware Key Code (HKC) of the migrated system will be required to configure Loyalty 6-Packs for systems already migrated.
- For **¹New Migrations**, configure the Loyalty 6-Packs under the tab labelled “Loyalty Phone Promo” in Studio.
- Migration Loyalty Promo will be offered on the color telephones, **ONLY**.
- Each Terminal Loyalty Promo contains a quantity of 6-Telephones of the same model.
- The Terminal Loyalty Promo items are not eligible to receive additional promo discounts.
- The total terminal quantity may not exceed 20% of the total quantity of IP endpoint/Resource licenses.

Note:

1. Watch for future announcement that will address how to handle migrated systems that have already been sold/deployed.

If you have any questions or request concerning the information in this letter, please contact your NEC representative/Channel Manager.

Sincerely,

Edward Ashley
