Net New Cloud Promos

To discover these deals and more, contact your sales representative.

Program benefits are for initial purchase of MiCloud Connect on a single order only, no extensions or add-ons. 36-month contract, minimum 10 AND maximum 250 users on MiCloud Connect. Deals above 250 must be handled on a case by case basis. Customers who wish to migrate to MiCloud Connect may choose to forego the \$18/user/month benefit to take advantage of any active net new MiCloudConnect promotion IF they have not purchased MiCloud services before. To take advantage of this program, customers must be under an active service contract. If a customer is not under an active service contract, the customer must re-enlist in support (including penalty) before using this program. Void where prohibited by law.
