

## Items for Recycling when buying New Black Box Electrical and Electronic Equipment

Under Waste Electrical and Electronic Equipment (WEEE) regulations for each Region in Belgium, Black Box is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Black Box after August 13<sup>th</sup> 2005, when that new equipment eventually becomes waste. Black Box has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

**Please confirm that you are the producer of the waste and the enclosed equipment is:**

Black Box equipment purchased after August 13<sup>th</sup> 2005 which has become waste

**Old electrical or electronic equipment which has become waste**
