

Maximize Your Quarter-End IT Budget with Discounted Prices on Equipment and Services

Black Box is a global IT solutions integrator providing seamless connectivity, advanced infrastructure, and expert services to optimize operations and drive future innovation.

Don't let your quarter-end budget go unspent—invest now in the IT equipment and project services you'll need at exclusive discounted rates. By planning ahead, you can save on costs, streamline your upcoming IT initiatives, and ensure your organization is ready for growth and innovation in the new year.

Why Invest in 2025 IT Now?

Financial Benefits

- **Maximize Budget Utilization**
Avoid losing unused budget dollars by pre-purchasing IT equipment and services.
- **Exclusive Discounts**
Secure discounted pricing for IT solutions you'll need.
- **Cost Predictability**
Lock in today's prices to protect against inflation and price increases.
- **Tax Advantages**
Potentially reduce taxable income by allocating funds to IT investments before quarter-end.

Operational Benefits

- **Avoid Delays**
Start quickly by having equipment and services ready to go as soon as you need.
- **Priority Scheduling**
Pre-paid projects receive prioritized planning and execution.
- **Future-Ready Infrastructure**
Invest in upgrades and solutions designed to support scalability and next-gen technologies.
- **Streamlined Procurement**
Simplify your procurement process by securing necessary resources in advance.

Customer Benefits

Budget Optimization:

Stretch your IT budget further by leveraging quarter-end discounts.

Reduced Downtime:

Proactively address IT needs to avoid costly disruptions.

Improved Planning:

Gain clarity and control over initiatives with early investments.

Scalability for Innovation:

Lay the foundation for adopting next-gen technologies like AI, IoT, and advanced cloud solutions.

Discount Tiers

Save more with our year-end **discount structure:**

- o \$100,000–\$250,000 – 5% Off
- o \$250,000–\$500,000 – 10% Off
- o \$500,000+ – 15% Off

Example: Pre-pay \$300,000 for 2025 IT projects and services and save 10%—giving you \$30,000 back in value while ensuring your initiatives are fully funded and ready to go.

What Can You Invest In?

IT Equipment & Licensing

- o Network Hardware (switches, routers, firewalls, etc.)
- o UC & CX Hardware & Licences (phones, gateways, licensing, etc.)
- o Building Technologies (security, cameras, IoT devices & sensors, etc.)
- o Fiber and Structured Cabling Components

Services & Labor Hours

- o **Network Optimization:** Ensure peak performance with upgraded cabling and equipment.
- o **Cloud Migration:** Plan and execute seamless transitions to cloud platforms.
- o **Cybersecurity Enhancements:** Strengthen defenses against emerging threats with assessments and advanced solutions.
- o **IT Infrastructure Upgrades:** Modernize aging systems to meet the demands and beyond.
- o **End-User Support:** Provide employee training or ongoing support for new technologies.

Act Now to Secure Savings and Get Ahead

Take advantage of this limited-time opportunity to invest in the IT equipment and services your business will need. By acting now, you'll save money, reduce risks, and ensure your organization is ready for success.
