Independent Auditor's Report on Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of AGC Networks Limited

1. We have audited the consolidated financial results of AGC Networks Limited ('the Holding Company' or 'the Company) and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), for the year ended 31 March 2017, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 2 to the consolidated financial results regarding the figures for the quarter ended 31 March 2017 as reported in these consolidated financial results, which are the balancing figures between audited consolidated figures in respect of the full financial year and the published consolidated year to date figures up to the end of the third quarter of the financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These consolidated financial results are based on the consolidated financial statements for the year ended 31 March 2017 prepared in accordance with the accounting principles generally accepted in India, including Accounting Standards ('AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and published consolidated year to date figures up to the end of the third quarter of the financial year prepared in accordance with the recognition and measurement principles laid down in AS 25, Interim Financial Reporting, prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, which are the responsibility of the Holding Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the consolidated financial statements for the year ended 31 March 2017 and our review of consolidated financial results for the nine months period ended 31 December 2016.

2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our qualified opinion.

3. As stated in Note 9 to the Statement, during the year ended 31 March 2015 the Company had recognised sale of two properties having carrying value of Rs. 0.74 crores and Rs. 0.35 crores, respectively, and profit on such sale amounting to Rs. 40.85 crores and Rs. 5.19 crores (net of incidental selling expenses amounting to Rs. 3.04 crores and Rs. 0.35 crores), respectively, under 'exceptional items'. In our opinion, since the significant risks and rewards for the said properties were not transferred, recognition of such sale and the accounting treatment followed by the Company is not in accordance with the principles laid under Accounting Standard (AS) 9 'Revenue Recognition' and AS 5 'Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies' as notified under the Companies (Accounting Standards) Rules 2006 (as amended) and

WALKER CHANDIOK & CO LLP MUMBAI CHARTERED ACCOUNTANTS should have been reversed. Our audit opinion on the consolidated financial statements for the year ended 31 March 2016 was qualified in respect of this matter. During the month of April 2016, significant risks and rewards in respect of one of the said property having a carrying value of Rs. 0.35 crores was transferred. Accordingly, in our opinion, sale of this property should have been recognised during the year ended 31 March 2017. Hence our audit opinion on the consolidated financial statements for the year ended 31 March 2017 is qualified to this extent. With respect to the other property having carrying value of Rs. 0.74 crores our audit opinion on the consolidated financial statements for the year ended 31 March 2017 continues to be qualified.

Had the Company followed the principles of AS 9 and AS 5 during the year ended 31 March 2017, the prior period expenses would have been higher by Rs. 46.04 crores (31 March 2016: Rs. 46.04 crores) and profit on sale of property would have been higher by Rs. 5.19 crores for the year ended on that date (31 March 2016: Nil); profit before tax would have been lower by Rs. 40.85 crores for the year ended on that date(31 March 2016: Rs. 46.04 crores); tax expenses for the year ended 31 March 2017 would have been lower by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores); long term loans advances, carrying value of tangible assets and other current liabilities as at 31 March 2017 would have been higher by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores), Rs. 0.74 crores (31 March 2016: 1.09 crores) and Rs. 0.16 crores (31 March 2016: lower by Rs. 0.19 crores) respectively; reserves and surplus and other current assets as at that date would have been lower by Rs. 37.58 crores (31 March 2016: Rs. 42.77 crores) and Rs. 47.32 crores (net of Rs. 3.20 crores received during previous year) (31 March 2016: Rs. 47.32 crores), respectively.

4. In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial results:

   (i) include the financial results for the year ended 31 March 2017, of the following entities:
   - AGC Networks Pty Limited

   (ii) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016 in this regard except for the effects of the matter described in paragraph 3 above; and

	8	Any other financial item(s) (as felt appropriate by the management)	-	-
II.	**Auditor's qualification**			
	a.	Details of Audit Qualification:	**(i) Auditor's qualification on annual audited financial results (consolidation)** As stated in Note 9 to the Statement, during the year ended 31 March 2015 the Company had recognised sale of two properties having carrying value of Rs. 0.74 crores and Rs. 0.35 crores, respectively, and profit on such sale amounting to Rs. 40.85 crores and Rs. 5.19 crores (net of incidental selling expenses amounting to Rs. 3.04 crores and Rs. 0.35 crores), respectively, under 'exceptional items'. In our opinion, since the significant risks and rewards for the said properties were not transferred, recognition of such sale and the accounting treatment followed by the Company is not in accordance with the principles laid under Accounting Standard (AS) 9 'Revenue Recognition' and AS 5 'Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies' as notified under the Companies (Accounting Standards) Rules 2006 (as amended) and should have been reversed. Our audit opinion on the consolidated financial statements for the year ended 31 March 2016 was qualified in respect of this matter. During the month of April 2016, significant risks and rewards in respect of one of the said property having a carrying value of Rs. 0.35 crores was transferred. Accordingly, in our opinion, sale of this property should have been recognised during the year ended 31 March 2017. Hence our audit opinion on the consolidated financial statements for the year ended 31 March 2017 is qualified to this extent. With respect to the other property having carrying value of Rs. 0.74 crores our audit opinion on the consolidated financial statements for the year ended 31 March 2017 continues to be qualified. Had the Company followed the principles of AS 9 and AS 5 during the year ended 31 March 2017, the prior period expenses would have been higher by Rs. 46.04 crores (31 March 2016: Rs. 46.04 crores) and profit on sale of property would have been higher by Rs. 5.19 crores for the year ended on that date (31 March 2016: Nil); profit before tax would have been lower by Rs. 40.85 crores for the year ended on that date(31 March 2016: Rs. 46.04 crores); tax expenses for the year ended 31 March 2017 would have been lower by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores); long term loans advances, carrying value of tangible assets and other current liabilities as at 31 March 2017 would have been higher by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores), Rs. 0.74 crores (31 March 2016: 1.09 crores) and Rs. 0.16 crores (31 March 2016: lower by Rs. 0.19 crores) respectively; reserves and surplus and other current assets as at that date would have been lower by Rs. 37.58 crores (31 March 2016: Rs. 42.77 crores) and Rs. 47.32 crores (net of Rs. 3.20 crores received during previous year) (31 March 2016: Rs. 47.32 crores), respectively.
			(ii) Auditor's Qualification on the Internal Financial Controls relating to above matter In our opinion, according to the information and explanations given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Holding Company's IFCoFR as at 31 March 2017: The Holding Company's internal financial control over evaluation of accounting of non-routine transactions was not operating effectively. This has, during the year, resulted in non-reversal of transaction for sale of one property for risk and rewards not transferred till the reporting date and non-recognition of sale of the other property for which risks and rewards were transferred during the current year, due to inappropriate evaluation of timing of transfer of risk and reward during an earlier year. This has led to misstatements of long-term loans and advances, tangible assets, other current assets, other current liabilities, prior period items, profit on sale of property, tax expense and resultant impact on the profit before tax and the reserves and surplus as at and for the year ended 31 March 2017. A 'material weakness' is a deficiency, or a combination of deficiencies, in IFCoFR, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group as at and for the year ended 31 March 2017, and the material weakness has affected our opinion on the consolidated financial statements of the Group and we have issued a qualified opinion on the consolidated financial statements.

1. We have audited the standalone financial results of AGC Networks Limited ('the Company') for the year ended 31 March 2017, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 2 to the standalone financial results regarding the figures for the quarter ended 31 March 2017 as reported in these standalone financial results, which are the balancing figures between audited standalone figures in respect of the full financial year and the published standalone year to date figures up to the end of the third quarter of the financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These standalone financial results are based on the standalone financial statements for the year ended 31 March 2017 prepared in accordance with the accounting principles generally accepted in India, including Accounting Standards ('AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and published standalone year to date figures up to the end of the third quarter of the financial year prepared in accordance with the recognition and measurement principles laid down in AS 25, Interim Financial Reporting, prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these standalone financial results based on our audit of the standalone financial statements for the year ended 31 March 2017 and our review of standalone financial results for the nine months period ended 31 December 2016.

2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our qualified opinion.

3. As stated in Note 5 to the Statement, during the year ended 31 March 2015 the Company had recognised sale of two properties having carrying value of Rs. 0.74 crores and Rs. 0.35 crores, respectively, and profit on such sale amounting to Rs. 40.85 crores and Rs. 5.19 crores (net of incidental selling expenses amounting to Rs. 3.04 crores and Rs. 0.35 crores), respectively, under 'exceptional items'. In our opinion, since the significant risks and rewards for the said properties were not transferred, recognition of such sale and the accounting treatment followed by the Company is not in accordance with the principles laid under Accounting Standard (AS) 9 'Revenue Recognition' and AS 5 'Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies' as notified under the Companies (Accounting Standards) Rules 2006 (as amended) and should have been reversed. Our audit/review reports on the financial statements/financial results of all the corresponding period upto March 2016 were qualified in respect of this matter. Further, during the month of April 2016, significant risks and rewards in respect of one of the said property having a carrying value of Rs. 0.35 crores was transferred. Accordingly, in our opinion, sale of this property should have been recognised

during the year ended 31 March 2017. Hence our audit opinion on the standalone financial statements for the year ended 31 March 2017 is qualified to this extent. With respect to the other property having carrying value of Rs. 0.74 crores our audit opinion on the standalone financial statements for the year ended 31 March 2017 continues to be qualified.

Had the Company followed the principles of AS 9 and AS 5 during the year ended 31 March 2017, the prior period expenses would have been higher by Rs. 46.04 crores (31 March 2016: Rs. 46.04 crores) and profit on sale of property would have been higher by Rs. 5.19 crores for the year ended on that date (31 March 2016: Nil); loss before tax would have been higher by Rs. 40.85 crores for the year ended on that date(March 2016: Rs. 46.04 crores); tax expenses for the year ended 31 March 2017 would have been lower by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores); long term loans advances, carrying value of tangible assets and other current liabilities as at 31 March 2017 would have been higher by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores), Rs. 0.74 crores (31 March 2016: 1.09 crores) and Rs. 0.16 crores (31 March 2016: lower by Rs. 0.19 crores) respectively; reserves and surplus and other current assets as at that date would have been lower by Rs. 37.58 crores (31 March 2016: Rs. 42.77 crores) and Rs. 47.32 crores (net of Rs. 3.20 crores received during previous year) (31 March 2016: Rs. 47.32 crores), respectively.

4. In our opinion and to the best of our information and according to the explanations given to us, the standalone financial results:

   (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016 in this regard except for the effects of the matter described in paragraph 3 above; and

   (ii) give a true and fair view of the standalone net loss and other financial information in conformity with the accounting principles generally accepted in India for the year ended 31 March 2017 except for the effects of the matter described in paragraph 3.

1) The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 24 May 2017. These results have been prepared on the basis of the audited standalone financial statements for the year ended 31 March 2017.

2) The figures of the last quarter are the balancing figures between the audited figures in respect of the full financial years and the unaudited published year-to-date figures up to the third quarter of the current and previous financial year.

Further the revision of the useful lives will result in the following changes in the depreciation expense as compared to depreciation expense based on earlier useful lives.

II.	**Auditor's qualification**			
	a.	Details of Audit Qualification:	**(i) Auditor's qualification on annual audited financial results (standalone)** As stated in Note 5 to the Statement, during the year ended 31 March 2015 the Company had recognised sale of two properties having carrying value of Rs. 0.74 crores and Rs. 0.35 crores, respectively, and profit on such sale amounting to Rs. 40.85 crores and Rs. 5.19 crores (net of incidental selling expenses amounting to Rs. 3.04 crores and Rs. 0.35 crores), respectively, under 'exceptional items'. In our opinion, since the significant risks and rewards for the said properties were not transferred, recognition of such sale and the accounting treatment followed by the Company is not in accordance with the principles laid under Accounting Standard (AS) 9 'Revenue Recognition' and AS 5 'Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies' as notified under the Companies (Accounting Standards) Rules 2006 (as amended) and should have been reversed. Our audit/review reports on the financial statements/financial results of all the corresponding period upto March 2016 were qualified in respect of this matter. Further, during the month of April 2016, significant risks and rewards in respect of one of the said property having a carrying value of Rs. 0.35 crores was transferred. Accordingly, in our opinion, sale of this property should have been recognised during the year ended 31 March 2017. Hence our audit opinion on the standalone financial statements for the year ended 31 March 2017 is qualified to this extent. With respect to the other property having carrying value of Rs. 0.74 crores our audit opinion on the standalone financial statements for the year ended 31 March 2017 continues to be qualified. Had the Company followed the principles of AS 9 and AS 5 during the year ended 31 March 2017, the prior period expenses would have been higher by Rs. 46.04 crores (31 March 2016: Rs. 46.04 crores) and profit on sale of property would have been higher by Rs. 5.19 crores for the year ended on that date (31 March 2016: Nil); loss before tax would have been higher by Rs. 40.85 crores for the year ended on that date(March 2016: Rs. 46.04 crores); tax expenses for the year ended 31 March 2017 would have been lower by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores); long term loans advances, carrying value of tangible assets and other current liabilities as at 31 March 2017 would have been higher by Rs. 3.27 crores (31 March 2016: Rs. 3.27 crores), Rs. 0.74 crores (31 March 2016: 1.09 crores) and Rs. 0.16 crores (31 March 2016: lower by Rs. 0.19 crores) respectively; reserves and surplus and other current assets as at that date would have been lower by Rs. 37.58 crores (31 March 2016: Rs. 42.77 crores) and Rs. 47.32 crores (net of Rs. 3.20 crores received during previous year) (31 March 2016: Rs. 47.32 crores), respectively.	
			(ii) Auditor's Qualification on the Internal Financial Controls relating to above matter In our opinion, according to the information and explanations given to us and based on our audit, the following material weakness has have been identified in the operating effectiveness of the Company's IFCoFR as at 31 March 2017: The Company's internal financial control over evaluation of accounting of non-routine transactions was not operating effectively. This has, during the year, resulted in non-reversal of transaction for sale of one property for which risks and rewards not transferred till the reporting date and non-recognition of sale of the other property for which risks and rewards were transferred during the current year, due to inappropriate evaluation of timing of transfer of risk and reward during an earlier year. This has led to misstatements of long-term loans and advances, tangible assets, other current assets, other current liabilities, prior period items, profit on sale of property, tax expense and resultant impact on the loss before tax and the reserves and surplus as at and for the year ended 31 March 2017. A 'material weakness' is a deficiency, or a combination of deficiencies, in IFCoFR, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2017, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

	c.	Frequency of Qualification:	Auditor's qualification on annual audited financial results (standalone) has been appearing from the year ended 31 March 2015 and Auditor's qualification on the Internal Financial Controls in relation to that matter has been appearing from the year ended 31 March 2016.
	d.	For Audit Qualification (s) where the impact is quantified by the auditor, Management views:	During the year ended 31 March 2015, the Company entered into deeds of assignment to transfer all the rights, title and obligations of its land and building situated at Gandhinagar to another company for a consideration of Rs. 50.52 Crores. During April 2015, the lender to whom these assets were provided as security provided its in-principal approval for the said transfer subject to fulfilment of conditions stated therein. During the previous year ended 31 March 2016, the Company received approval from the lender for sale of one of the property sold for consideration of Rs. 5.89 crores and also realized part consideration of Rs. 3.20 crores from the buyer. During April 2016, approval from the requisite authorities have also been received and sale deed has been executed between the Company and the buyer for transfer of legal title for one of the property. The Company has also obtained the requisite approvals for the other property and subsequent to year ended 31 March 2017 has realized further consideration of Rs. 13.50 Crores. The sale deed for the other property will be executed on simultaneous settlement of balance consideration by the buyer. Accordingly management believes that the Internal Financial Controls are operating effectively.
