## **Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

### **To the Board of Directors of AGC Networks Limited**

#### **Qualified Opinion**

1. We have audited the accompanying standalone annual financial results ('the Statement') of **AGC Networks Limited** ('the Company') for the year ended 31 March 2020, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations'), including relevant circulars issued by the SEBI from time to time.
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
  - (i) presents standalone financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, except for the effects of the matter described in paragraph 3 below; and
  - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder, and other accounting principles generally accepted in India, of the standalone net loss after tax and other comprehensive loss and other financial information of the Company for the year ended 31 March 2020 except for the effects of the matter described in paragraph 3 below.

#### **Basis for Qualified Opinion**

3. As stated in Note 8 to the accompanying standalone financial results, during the previous year ended 31 March 2019, the Company had recorded only the differential amount of Rs 1.11 Crores, as profit on sale of property, plant and equipment, being the difference between the sale consideration of a certain property re-assigned to a new buyer and the outstanding receivable from an earlier sale transaction was incorrectly recorded without the transfer of risks and rewards of ownership of such property in the year ended 31 March 2015.

Had the Company followed the principles of Ind AS 16, Property, Plant and Equipment, and corrected the aforementioned errors relating to incorrect recognition of sale in earlier year, of the said property, in accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, exceptional item (income), representing gain on sale of property, plant and equipment, for the year ended 31 March 2019 would have been higher by Rs. 22.79 Crores (quarter ended 31 March 2019: Nil), while depreciation expense for the year ended 31 March 2019 would have been higher by Rs. 0.02 Crores (quarter ended 31 March 2019: Nil).

### Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

---

Our reports on the standalone financial results for the quarter ended 31 December 2019 and year ended 31 March 2019 were also qualified in respect of the above matter, and accordingly, our opinion on the accompanying standalone financial results for the year ended 31 March 2020 is also qualified with respect to the effects of this matter on the comparability of current and corresponding figures in the accompanying standalone financial results.

4. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the '*Auditor's Responsibilities for the Audit of the Statement*' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matters - Impact of COVID 19 on the Statement and compliances with laws and regulations**

5. We draw attention to Note 12 to the accompanying standalone financial results with respect to delay in repatriation of proceeds of export of goods and services and delay in remittance for import payments, aggregating to Rs. 1.37 Crores and Rs. 4.33 Crores, respectively as on 31 March 2020 beyond the timelines stipulated, under the Foreign Exchange Management Act, 1999 and regulations thereunder. The management of the Company is in the process of filing, and in some cases, has filed necessary applications seeking extension of time, approval for write off of foreign currency payables and condonation of delays with appropriate authorities for regularising these defaults, subsequent to 31 March 2020. Pending conclusion on these matters, management is of the view that the possible fines / penalties, which may be levied, are currently unascertainable but are not expected to be material and accordingly, the accompanying standalone financial results do not include any consequential adjustments that may be required due to such delay / default.
6. We draw your attention to Note 13 to the accompanying standalone financial results, which describes the impact of COVID-19 pandemic on the Company's operations. In view of the uncertainties in the economic environment due to the outbreak of COVID-19 pandemic, the impact on the operations of the Company is significantly dependent on the future developments as they evolve.

Our opinion is not modified in respect of the above matters.

#### **Responsibilities of Management and Those Charged with Governance for the Statement**

7. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive loss and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## **AGC Networks Limited**

### **Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

---

8. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Statement**

10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under Section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
11. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

On 30 March 2018, the Company received approval from the preference shareholders for extension of term by 5 years post expiry of original term of 7 years. Further, pursuant to the shareholders approval and in principle approval from the stock exchanges, the nature and terms of the NCRPS were changed to 0.01% Compulsorily Convertible Preference Shares ("CCPS"). Profit on sale of property, plant and equipment [refer note (c)]	-	-	-	-	(1.11)
	-	-	(1.50)	-	(5.67)

(a) Represents reversal of inventory provisions made in earlier years to reflect lower of cost and net realisable value. The Company has entered into an agreement with a buyer for sale of these inventories.

(b) Represents interest income on sale consideration receivable from the erstwhile buyer with respect to sale of property situated at Gandhinagar.

(c) Represents profit on sale of property, plant and equipment situated at Gandhinagar.

- 8) During the year ended 31 March 2015, the Company entered into deed of assignment to transfer all the rights, title and obligations of its land and building situated at Gandhinagar to another company for a consideration of Rs. 44.63 Crores. During April 2015, the lender to whom these assets were provided as security provided its in-principle approval for the said transfer subject to fulfilment of conditions stated therein. The said transfer was pending approval from the relevant government authority and transfer of legal title that were considered to be procedural in nature. Accordingly, the Company had recognised profit on sale of property, plant and equipment of Rs. 40.85 Crores (net of incidental expenses Rs. 3.04 Crores) during the year ended 31 March 2015.

During the year ended 31 March 2019, the said property was re-assigned in the name of the Company by the buyer since the buyer expressed its inability to get the aforementioned sale deed registered with the relevant government authority. Subsequently, the said property had been transferred to another buyer through a separate sale transaction for a consideration of Rs. 23.51 Crores, and the Company had recorded the differential amount of Rs.1.11 Crores between the said consideration and balance receivable as at re-assignment date from the earlier recognised sale, as profit on sale of property, plant and equipment. The amount of consideration already received amounting to Rs. 22.23 Crores as at re-assignment date from the erstwhile buyer is not required to be refunded by the Company. The entire transaction stands completed.

**9) Adoption of new accounting standard on leases - Ind AS 116**

The Company has adopted Ind AS 116, "Leases", effective 1 April 2019, using modified retrospective approach, as a result of which comparative information is not required to be restated. The Company has discounted lease payments using the incremental borrowing rate as at 1 April 2019 for measuring lease liabilities at Rs. 20.65 Crores and accordingly recognised right-of-use assets at Rs. 19.06 Crores by adjusting retained earnings by Rs. 1.59 Crores, as at the aforesaid date. The Company has elected not to apply the requirements of Ind AS 116 to short term leases and certain leases for which the underlying asset is of low value. In the standalone statement of profit and loss for the current period, the expenses in respect of operating leases are recognised as amortisation of right of use assets and finance cost, as compared to lease rent in previous periods, and to this extent standalone results for the current period are not comparable.

The impact of adopting Ind AS -116 on the standalone financial results for the quarter / year ended 31 March 2020 is as follows:

Particulars	(Rs. in Crores)					
	Quarter ended			Year ended		
	31/03/2020 (Erstwhile basis)	31/03/2020 (As per Ind AS -116)	Increase / (decrease) in profit	31/03/2020 (Erstwhile basis)	31/03/2020 (As per Ind AS -116)	Increase / (decrease) in profit

- 11) As on 1 April 2019, the Company had not appointed at least one of its independent directors as a director on the board of directors of its unlisted material subsidiary entities incorporated outside India. The said transfer was pending approval from the relevant government authority and transfer of legal title that were considered to be procedural in nature. Subsequently, the said property had been transferred to another buyer through a separate sale transaction for a consideration of Rs. 23.51 Crores, and the Company had recorded the differential amount of Rs.1.11 Crores between the said consideration and balance receivable as at re-assignment date from the earlier recognised sale, as profit on sale of property, plant and equipment. The amount of consideration already received amounting to Rs. 22.23 Crores as at re-assignment date from the erstwhile buyer is not required to be refunded by the Company. #### Auditor's Responsibilities for the Audit of the Statement

9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under Section 143(10) of the Act, will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
10. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial statements of the entities within the Group, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Holding Company, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. We also performed procedures in accordance with SEBI Circular CIR / CFD / CMD1 / 44 / 2019 dated 29 March 2019, issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

- During the year ended 31 March 2015, the Holding Company entered into deed of assignment to transfer all the rights, title and obligations of its land and building situated at Gandhinagar to another company for a consideration of Rs. 44.63 Crores. During April 2015, the lender to whom these assets were provided as security provided its in-principle approval for the said transfer subject to fulfilment of conditions stated therein. The said transfer was pending approval from the relevant government authority and transfer of legal title that were considered to be procedural in nature. Accordingly, the Holding Company had recognised profit on sale of property, plant and equipment of Rs. 40.85 Crores (net of incidental expenses Rs. 3.04 Crores) during the year ended 31 March 2015.

During the year ended 31 March 2019, the said property was re-assigned in the name of the Holding Company by the buyer since the buyer expressed its inability to get the aforementioned sale deed registered with the relevant government authority. Subsequently, the said property had been transferred to another buyer through a separate sale transaction for a consideration of Rs. 23.51 Crores, and the Holding Company had recorded the differential amount of Rs.1.11 Crores between the said consideration and balance receivable as at re-assignment date from the earlier recognised sale, as profit on sale of property, plant and equipment. The amount of consideration already received amounting to Rs. 22.23 Crores as at re-assignment date from the erstwhile buyer is not required to be refunded by the Holding Company. The entire transaction stands completed.

- Adoption of new accounting standard on leases - Ind AS 116**

The Group has adopted Ind AS 116, "Leases", effective 1 April 2019, using modified retrospective approach, as a result of which comparative information is not required to be restated. The Group has discounted lease payments using the incremental borrowing rate as at 1 April 2019 for measuring lease liabilities at Rs. 143 Crores and accordingly recognised right-of-use assets at Rs. 132.86 Crores (after adjusting prepaid lease rent) by adjusting retained earnings by Rs. 8.02 Crores, as at the aforesaid date. The Company has elected not to apply the requirements of Ind AS 116 to short term leases and certain leases for which the underlying asset is of low value. In the consolidated statement of profit and loss for the current period, the expenses in respect of operating leases are recognised as amortisation of right of use assets and finance cost, as compared to lease rent in previous periods, and to this extent consolidated results for the current period are not comparable.

The impact of adopting Ind AS -116 on the consolidated financial results for the quarter / year ended 31 March 2020 is as follows:

**Notes on segment information :**

1 Further to the significant acquisitions in January 2019, the Board has reviewed the segmental presentation of financial information; it was required to assess performance and allocate resources. The Board now considers a business activity focused reporting format to be more meaningful from a management forecasting perspective.

2 Assets and liabilities used in the Group's business are not identifiable to any of the reportable segments, as these are used interchangeably between segments. The management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
