Under terms of agreement, Village-Island will distribute PlexusAV's technology across Japan and East Asia. **Full Story:** [Installation](#) (5/22)

APPOINTMENTS

Black Box names regional sales director for MEA

Company appointed Axel Kopprasch, a veteran of sales for mission-critical command and control environments, as regional sales director for Middle East and Africa (MEA). He says: "Black Box has built a strong reputation in the MEA region, and I'm excited to contribute to that ongoing success. I look forward to working closely with our customers to solve their infrastructure challenges and support their long-term goals."
